

The River Edge Republicans Want You! We Need Your Help!

For far too long, River Edge, (and for that matter, the rest of the state and nation), has become complacent regarding civic and government issues. The common feeling is that “others will take care of those things.” Well to make things better in our town, now it’s our turn. Successful elections and fiscally responsible government that reflects the will of the people it serves do not happen by themselves. You need to get involved and help. There are many ways you can contribute by putting your skills, talents and experience to good use.
