Dear Mr. Lindsley:

I am in receipt of your inquiry regarding the senior citizens center presently being purchased by the Borough of River Edge. The County of Bergen is providing the Borough with \$100,000.00 of Community Development Block Grant funds for the acquisition located at 215 Continental Avenue.

The center is designated as a senior citizens center and the Borough is required to operate the facility as such. However, occasional uses for another purpose would be permissible. The occasional use must not conflict with or displace scheduled use for senior citizen activities. The role of the Bergen County Division of Community Development is to ensure the facility is used for the purpose for which CDBG funds were provided, within the aforesaid limitations and regulations.

If you should have any questions regarding this manner, please contact me at (201) 336-7216.

Sincerely,

Joseph Rutch
Director
